

The Abbott Patient Assistance Program is designed to assist financially disadvantaged individuals. All applications are reviewed on a case-by-case basis. Eligibility is based on current Federal Poverty Guidelines adjusted for household size. The provision of free medication is a philanthropic activity sponsored by Abbott Laboratories. Therefore, the Abbott Patient Assistance Program is considered the payor of last resort.

### **Enrollment**

Please complete the entire application. Failure to complete any section or to provide all required documentation will delay the review process. Incomplete applications will be returned for further information.

**Physician Information Section:** To be completed by the physician or office staff.

**Patient Information Section:** To be completed by the patient or legally authorized representative.

1. Monthly household income is required. You must report all income, including salary, pension, Social Security, etc. for all members in the household.
2. Documentation of income, including Federal tax return, W2, pay stub, etc., for all members in the household is required.
3. A letter of Medicaid, Social Security, and/or ADAP denial or QMB statement is required, if applicable.
4. Please carefully review the patient consent form.
5. Patient or legally authorized representative's signature and date are required. Please provide documentation of authorization if signing for patient.

**Prescription Information Section:** To be completed by the physician. Please carefully review the consent and then sign and date the application – no stamps will be accepted.

Please ensure that the application is complete. Fax or mail the completed application and associated documentation to Abbott Laboratories for eligibility review.

### **Approval & Shipment**

The physician's office and patient will be notified of patient eligibility. Upon approval into the Abbott Patient Assistance Program, a supply of medication will be shipped to the physician's office for dispensing to the patient.

### **Refill & Requalification**

It is the responsibility of the physician or office staff to contact Abbott Laboratories 3 weeks prior to the patient requiring further medication. If within the patient's defined eligibility period, an additional supply of medication will be shipped to the physician's office. If not within the eligibility period, the physician will be sent a re-enrollment application on behalf of the patient.
